Note

This is a non cannon universe that takes place after shrek rp 4 and shrek au 4.5

???:hello ive brought you here from two separate dimensions that separated at the pizzeria to have fun idk

AU puss:so let me get this straight two of the three og charicters are missing/dead and you let a former soldier of mark join you

Cade:things are hard for us and i hated mark to begin with

Soilder:you think things are hard for you our entire planet was eaten by ai that we had to burn off killing 99% of everybody and we only lost one person

Shrek:fiona

Main Puss:you let the world get eaten by a virus

Cade:to be fair our world got take over by cades twice

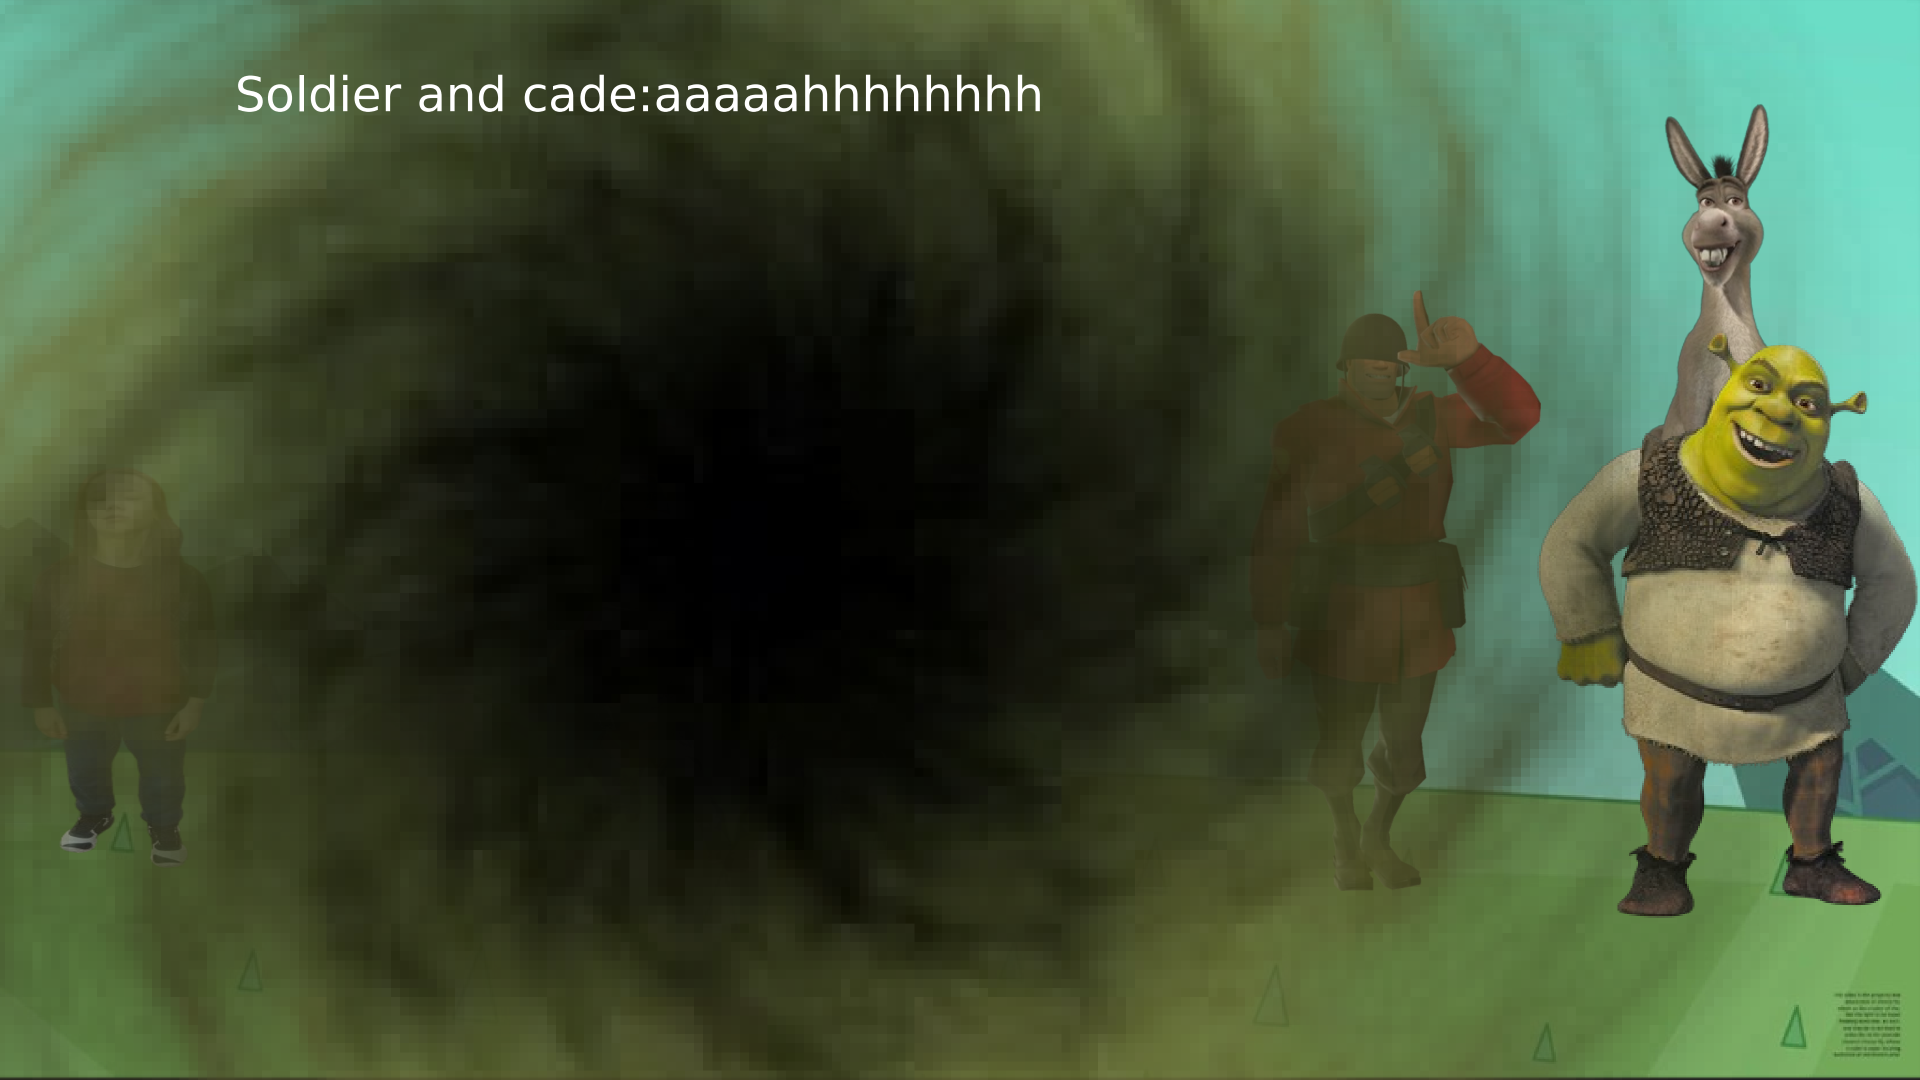
Main Puss:do you want to go

Au puss:bring it

Everybody:nonononno dont fight

Everybody:RUN!!

Soldier:there is nowhere to run we are doomed



Soldier and cade:aaaaahhhhhhhh
